CP Inc
Embrace The Art Of Living

COMPANY BACKGROUND

CP INC is one of the leading manufacturers of high quality furniture in India. We are a pioneer in the industry offering the market greater choice, innovative and ergonomic designs as well as environmentally friendly furniture. Since our humble inception in 2011, the group has grown from scratch to strength. CP INC Industries started its establishment on Surat, Gujarat. From the very beginning, the group has focused on its core principles of customer commitment, quality, integrity, team work, innovation in design, and it is these principles that have enabled the group to gain the trust of customers.

Today, With over 70,000 Sq. ft. of space consisting of state of the art technology.

For over 30 years, the CP INC Industries has been active in providing furniture that is flexible, dynamic and attuned with the global and technological changes. The group continuously introduces new and high tech furniture to remain at the fore - front of the industry.

On the manufacturing front, we have continued to invest in new technology and machinery to continue its popular pace with new designs and styles to suit clients needs. in particular, we have invested in post-forming machinery, technology to work.

Having established itself as a one of the leading market player for office furniture, school furniture, Hospital furniture, storage solution, Hostel furniture, Hotel & restaurant furniture the group has also continue with growth strategy and has developed additional lines that includes commercial kitchens equipment and custom - made furniture.

ELEGANT
BETTER LIVING

EMPOWERING PRODUCTIVITY THROUGH **SMART WORKSPACE**

VISION

To be sustainable, Well known and desirable brand in the furniture industry by delivering high quality products and services when our customers need them, empower and develop employees to meet new and existing challenges, be an ethical and community minded employer and corporate citizen

MISSION

To provide the enthusiastic, passionate, persistent, and friendly work environment and state of the art infrastructure and technology to produce customized, coordinated, sustainable, sound and quality products which fulfills the needs and desires of our customers to establish our company as " Center of Excellence in Furniture Manufactureing "

CORE VALUE

- CUSTOMER COMMITMENT
- INTEGRITY
- QUALITY
- INNOVATION
- TEAM WORK

360° FLEXIBILITY AND LIMITNESS POSSIBILITIES

ELEGANT
BETTER LIVING

SIMPLICITY TO CREATE
ERGONOMIC WORKSAPACE

Simply designed workstations to decrease the disturbances and give ergonomic look to the workspace.

CREATIVITY LEADS TO **THE SUCCESS**

Thoughtfully created legs which provides attraction to the workspace as well as creates focus towards the work that leads to the success

WORKSTATION THAT LEADS TO PROSPERITY THROUGH **ELITE WORKSPACE**

Very differently designed workspaces through some creative thoughts which provides an elite look to the workspace which ultimately turns into prosperity.

CRAFTINESS THAT IMPROVES THE PRODUCTIVITY THROUGH **SMART WORKSPACE**

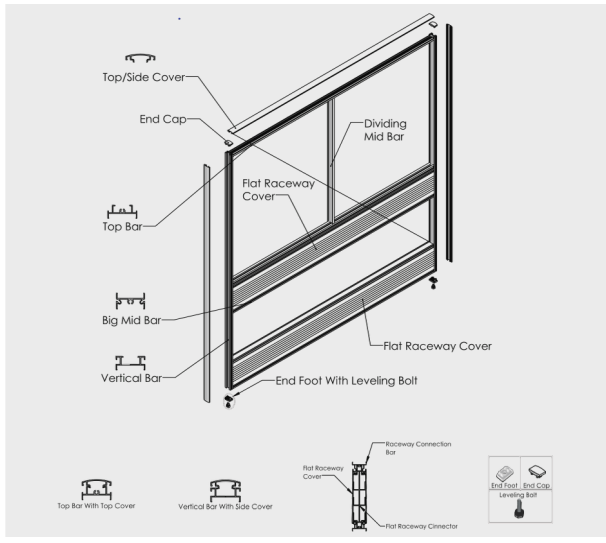

Crafty thoughts to design the smart workspaces which results into the increased productivity of the staff to improve the performance of the company.

PRIVACY DIFFERENTIATES THE SKILLS OF THE **WORKSPACES**

Sometimes the Privacy at the workstation is more important at workspaces. Brahmani's Abhilasha series has been designed to create privacy between the employees which helps the employees to achieve the goals of the company very fast.

ELEGANT
BETTER LIVING

ADJUSTMENT THAT BUILDS
A GREAT TEAM

One team can achieve anything for the organization's growth. To build coordination between team, Brahmani has designed the samayojanam series.

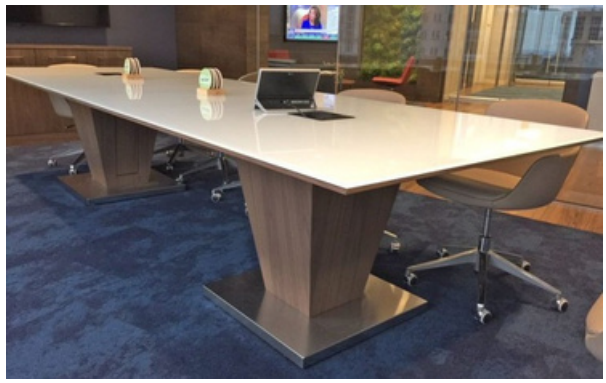

Direction to an organization makes the big difference in the Brand image of the organization. Brahmani's customizable executive desks or director desks creates a positive aura that leads to more effective direction to the organization which impacts to the differenciation in the brand image of the organization.

Healthy discussion overcomes any problem in the organization. Healthy discussion leads to the more sales and growth. Brahmani has different models to create the conference more impactful.

We can customize the table according to ergonomics, aesthetics, belief or desire of the customer. The most trustable thing one can get in our conference tables is the durability with creativity.

We also believe that modernity also be fulfilled with the changing time and challenges that arises in the journey. In our designs, we also take care that we can serve our clients with all the technological and advanced fulfilment and desires.

Sometimes, organizations need more seatings and meeting with large number of employees to achieve an impactful decisions. We also take care that we can create some designs which can involve larger number of people in a single meeting which leads to saving the time, resources and energy of the organization.

NOMAD

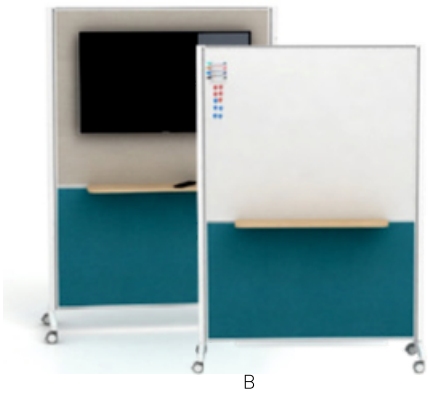

Nomad mobile white board and monitor stand simplifies the meetings & collaboration among the team members to generate innovative ideas. Designed with all technological capabilities and portability to support & enhance meetings, brain storming sessions & making it so flexible & agile in engaging the colleagues, in any part of the Office.
